How it all started:

Rosebowl Home Cookery was established in 1968 as a retail shop.

All products were made by hand following good old fashioned recipes which are still in use today. It wasn't long before we were approached by a kindergarten in Palmerston North to see if we would supply them with family pies that they could sell for fundraising.

Slowly over the years that start has grown to be a very important part of the Rosebowl of today. The Rosebowl Bakery has become a real family affair with father Robert, son Derek and daughter Selena all involved in the day to day running of the business.

The selling of pies and lamingtons etc. has proved to be a very popular method of fundraising in this community.

How to go about doing a fundraiser:

Step one:

Call Robert, Derek, OR Selena on (06) 3236765

To book in your dates for your fundraising drive.

The first date we will need is when you are going to give us the quantities for the order, and the second date is when you will want them delivered (we ask for approximately one week between these dates).

We are normally reasonably flexible with dates, but please call as soon as possible, because certain dates do get booked out.

Step Two:

Once the sellers have pre sold the pies etc. and the order sheets have been collected by the organiser.

Total up the individual order sheets and give the Rosebowl a call **06 323 6765**

We will take your order and confirm delivery dates, times etc. please do not fax or email these totals as these communications can fail and your order is lost.

Step Three:

Your order will be delivered fresh and arranged in order for you to make packing simple.

All you then need to do is bag up the pies etc. into the individual orders.

This is best carried out by 2-3 people, one person calls the order out while the

Other 1 or 2 people pack the orders.

Using this small number of people is actually quicker than too many which results in mistakes and congestion when packing.

As you can see this is an easy way to raise some extra dollars for your organisation and one in which everyone is able to contribute.

If you need to know more or would like some help please do not hesitate in contacting Robert, Derek or Selena at the Rosebowl.
